

Multi-Unit Residential and Non Profit Housing

Hofburg Life Lease Condominium - Completed in 1996

Passa Associates Architects was selected to design this 50 unit, 8 storey condominium building overlooking the Detroit River and the famed Peace Fountain in Windsor. Underground parking facilities, roof top terraces, communal games room and viewing lounges on all floors are all features of this multi-residential project.

Ambassador Huron Apts. - Completed in 1991

Joseph Passa, Architect Principal of Passa Associates Architects was design architect for this 92 unit, twin 4 storey complex of non profit housing with units for both singles and families.

Pillette Green Apartments - Completed in 1992

While with another firm prior to establishing Passa Associates Architects, Joseph Passa was Project Architect on this non-profit 32 unit, 3 storey apartment building designed to house both singles and families.
